Introduction

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that St Bernard's Catholic High School agrees to

“submit any applications for special consideration where candidates meet the published criteria.”

[JCQ General Regulations for approved centres, section 5.9 (SC)]

Special consideration is a post-examination adjustment to a candidate's mark or grade to reflect temporary illness, temporary injury or some other event outside of the candidate's control. This has to have taken place at the time of the assessment, and must have been likely to have had a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

The maximum allowance, in the most extreme circumstances, is 5% of the marks for a given paper. In practice, most candidates receive 2% or less. The exam boards will never discuss special consideration for individual candidates, and when results are issued it is not possible to determine what allowance, if any, has been granted.

Procedures

Special consideration will be applied for in cases where a candidate meets the requirements set out in 'A guide to the special consideration process' JCQ (2024). The school will follow the procedures outlined in this document to process any applications.

Applications for special consideration must be made at the time of the assessment. It is the responsibility of the candidate to make the Examinations Officer aware of any circumstances which could qualify them for special consideration. The Examinations Officer will submit any applications for special consideration on a case-by-case basis, the decision as to whether to make an application rests with the Examinations Officer, whose decision is final.

Additional evidence may be required, pastoral leaders will have responsibility for liaising with parents and candidates to obtain this evidence. For absence a doctor's note is required, and it is recommended that one is obtained for any medical condition.

The head of centre will authorise all applications for special consideration.
