
PRAYER OF THE WEEK

Father, Creator of all, thank You for summer!

Thank you for the warmth of the sun
and the increased daylight.

Thank You for the beauty I see all around me
and for the opportunity to be outside and enjoy
Your creation.

Thank You for the increased time I have to be with
my friends and family,
and for the more casual pace of the summer
season.

Draw me closer to You this summer.

Teach me how I can pray
no matter where I am or what I am doing.
Warm my soul with the awareness of Your
presence

and light my path with Your Word and Counsel.

As I enjoy Your creation, create in me
a pure heart and a hunger and a thirst for You.

Amen

WORDS FROM ST BERNARD

I myself, however wretched I may be, have been occasionally privileged to sit at the feet of the Lord Jesus, and to the extent that his merciful love allowed, have embraced with all my heart, now one, now the other, of these feet.

Congratulations this week to our fantastic students. We are so proud of you

We have had a very busy week with our local primaries .

Our amazing Year 8 students have been leading a French storybooks workshop and showed real maturity and confidence. We are so proud of what exceptional people they are and how well they represented our school.

We have welcomed lots of primaries to school this week where they have taken part in exciting science experiments, made some wonderful artwork, done some freeze-framing in drama and explored and created their own worlds in English. Our student leaders were brilliant and supported the children to have a wonderful time.

Year 10 did their Sports Studies assessment this week in the sun and the rain! They were brilliant, demonstrating fantastic leadership skills whilst following detailed plans they have worked hard to produce in lessons. Our Year 7 and 8 students took part in the different sessions which included rugby, netball, volleyball and table tennis!

We welcomed our new Year 7s for September this week at a very well-attended transition evening. It was so lovely to meet them and their families and spend time getting to know them. We can't wait to meet them all on the transition days next week.

MESSAGES FROM MR VINCE

Transition Evening

It was so lovely to see the main hall full and meet all our new students who will be joining us in September! There was a genuine sense of excitement in the air and we can not wait to welcome them to St Bernard's, helping them become 'Committed Learners and Exceptional People'.

Year 11 Prom

It was amazing to experience my first St Bernard's Prom!! I could not believe how incredible it was and such a fitting celebration for all our students who have worked so hard over the past 5 years. A great night had by all!!

Year 5 Transition Events

It has also been fantastic to welcome up to school a number of Year 5 students for our Year 5 transition events over the past week. With amazing science experiments, Art masterpieces and drama performances it has been great to see our primary students experiencing all St Bernard's has to offer.

Awards Night

We are looking forward to our end of term celebrations with Awards Night on 10th July to celebrate all our Committed Learners and Exceptional People! If you have been sent an invitation please do make sure you let us know who will be attending to help us celebrate!

And finally

Still no meaningful football to talk about but I am looking forward to catching a bit of Wimbledon when it starts next week – always feels like summer has begun when action starts at the All England Club! Hopefully we can get the strawberries and cream on the go!

Have a wonderful weekend!
God Bless,

Mr Vince
