Committed Learners | Exceptional People

Heavenly Father, as I begin this day, I thank You for the gift of life and for the opportunity to serve in Your vineyard. Just as the workers in the parable were called at different hours, I know that You call each of us at the right time, according to Your wisdom and love. Help me to listen attentively to Your call today, and to respond with a willing and generous heart, no matter how small or great the task may seem. Teach me to see each moment of this day as an invitation to work for Your Kingdom with humility and joy.

Amen

PRAYER OF THE WEEK

Sporting news

Our year 8 and 9 netball teams both enjoyed a great start to the season this week taking part in the Barrow Schools Netball Festivals which were held at Furness Academy. There was some excellent netball played by all teams that took part and with continued effort and practice, we are sure our teams will continue to develop and improve even further.

Waterpark – Year 7's week of fun!

Our Year 7's went to Coniston Waterpark this week in their form groups. It was a great chance to get to know each other better and focus on our team working skills as well as have a wonderful time in the gorgeous Lake District.

Year 7- Coniston Water Park

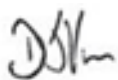

It has been really wonderful to see the start Year 7 pupils have made to their St Bernard's journey. This week all of Yr 7 have been out on team building days at Coniston Water Park, in the beautiful Lake District. It is so inspiring to see them getting stuck in, growing in confidence and building friendship and trust with their friends and teachers!

And finally....

A lot can change in a week!! Following 2 wins in a row for Villa football chat is back on the agenda! I have even found a few pupils in school who are also Villa fans, so are lunchtime chat is now very uplifting!

Have a great weekend all,

God Bless

Mr D Vince
