Lord, make me an instrument of your peace:
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.

O divine Master, grant that I may not so much seek
to be consoled as to console,
to be understood as to understand,
to be loved as to love.

For it is in giving that we receive,
it is in pardoning that we are pardoned,
and it is in dying that we are born to eternal life.

PRAYER OF THE WEEK

Sporting news

Our Year 9 girls football team enjoyed a great night of football this week when they took part in the Year 9 Barrow Schools 7 aside Football Festival at Furness Academy. Good quality football was played by all schools which led to some entertaining games. Thanks goes to Furness Academy for hosting the competition. We are now looking forward to attending the Year 8 event next week.

Sporting news

Well done to the Year 7 boys rugby team in their first festival of the season. In extremely wet and tricky conditions, the lads showed real character and they improved in every game they played. We are looking forward to seeing them progress further with more training throughout the year.

Any Year 7's wanting to give rugby a try should come to training after school on Thursday 3.20pm - 4.20pm (outdoor PE kit and football boots needed).

Thanks to Furness Academy for hosting the festival.

Excellent performance from our Year 9 Rugby team this week against Dowdales in the Semi Final of the Town Cup. Without a doubt, their best team performance representing St Bernards. They will now be playing at Craven Park in the final. Thank you to Dowdales for hosting the match and providing three wonderful match officials.

Attendance

Multiply this by 5, to reflect the 5 years of secondary education, and students with 95% attendance or lower across their time at the school will have missed at least 45 days (225 hours) of learning time. A student with 80% attendance will have missed the equivalent of a whole school year.

We would therefore ask that you try to ensure that your son/daughter achieves the best possible attendance this year.
